

BoostUp! RIS Agenda

11-12 May 2021

Join us for two exciting days that will include:

- The finalist pitching competition and award ceremony
- Panel discussions:
 - Data for decisions towards smart manufacturing
 - Digital transformation in industry – The way forward
 - Green manufacturing for a sustainable future
 - Efficiency and safety in manufacturing
- BoostUp! journey: interviews with the BoostUp! 2020 winner
- Inspirational talks from top leaders
- Keynotes:
 - Empowering competitive advantages through IP management services
 - Marketing & communication in the startup world
- Networking opportunities with investors, startups, scaleups, SMEs, and key corporates

Please check back regularly for updates to the agenda and more details regarding the various sessions.
